

Rodney Goldenberg Scholarship

Background:

Rodney Goldenberg's dream of building a magnet high school in the Vista Unified School District began in 2007. In 2009, Mr. Goldenberg's dream became a reality as Mission Vista High School opened its doors on the campus of Washington Middle School. One year later, in 2010, MVHS welcomed students to its beautiful, new 6 acre campus in northeastern Oceanside where Mr. Goldenberg served as its first principal. Mr. Goldenberg's tireless effort, passion and vision were integral in creating this remarkable and leading edge campus. Mission Vista High School is a school of choice for students in the Vista Unified School District as well as surrounding communities. The 4x4 block schedule and four focus areas of Arts, Communication, Science and Technology make this school a unique option for students in North San Diego County.
