

TIMBERWOLVES
FOUNDATION
PRESENTS

A
NIGHT OF
COMEDY
& MAGIC

Dear Community Partner,

The Mission Vista High School Timberwolves Foundation is seeking your support during its annual fundraiser event, to be held on Saturday, April 23, 2022. A Night of Comedy & Magic will feature comedians and magicians from Hollywood and the famous Magic Castle who will perform throughout the evening. Food trucks, a dessert bar and silent auction baskets will be part of this fun evening, with all proceeds going to benefit students and student programs not otherwise funded.

We are seeking business support in three ways. Would you consider partnering with us?

1. **Business Table Sponsor - \$600** (includes 8 front-row VIP tickets, up-close/on-stage experience, an advertisement in the Evening Program, advertisement on our foundation web page, social media promotion, 8 raffle tickets, and the opportunity to decorate your table however you would like to promote your business)
2. **Silent Auction Donation - \$100 value or more** (dozens of baskets filled with goods and services will be on display from local area businesses throughout the evening, with silent auctions throughout the event. Please consider donating, and we will include your company name on our web site and in the program as a proud supporter. Please fill out the donation form and we'll coordinate pick up.)
3. **Promote - \$0** (a no-cost way to contribute is to join us in promoting this community event by adding a poster at your business and sharing the event details with your staff.)

For more information about this event, please visit timberwolvesfoundation.org/2022.

Thank you in advance for your support!

Mission Vista High School is a dual magnet school in Oceanside (Vista Unified School District) that focuses on academic, project-based learning. The Timberwolves Foundation raises money to help bridge the gap between state funds and the needs of students and student programs.
